Dear Friends of Grace Church School,

As friends of the Grace Church School community, we have so much to be proud of – for over 90 years we have been providing a joyful and nurturing learning environment that welcomes our young children each day. We take pride in our faculty and staff who provide students with enthusiasm for learning, self-confidence and a community of respect.

Our Annual Fund provides critical resources to supplement our operating budget each year. It provides the funds necessary for the program enhancements and projects needed to maintain GCS's level of excellence in early childhood education. Last year, we renovated our garden space and increased funds available to teachers for graduate school classes in early education.

Participation is most important. Each tax-deductible gift, no matter the size, makes a difference. Please visit <https://gracechurchschool.org/give-online/> to make a secure donation or complete and return the enclosed card.

Thank you for your generosity and all you do for Grace Church School.

With warmest regards,

Ashley Phyfe
President of Friends of Grace Church School
